(U.M. Dhatt)
Chairman,

Adarsh Higher Secondary School, SK

Proposal for the academic year 2024-25 submitted Adarsh Higher Secondary School, Motipura, Himmatnagar, Sabarkantha, run by Vishwamangalam Kelavani Mandal, for Higher Sec. (Sci) Section (GSEB Gujarati Medium) along with relevant documents.

(2) The proposal of the school discussed in the Fee Regulatory Committee (FRC) Ahmedabad Zone. The school filed affidavit to determine the fees of academic year 2024-25. The school has produced relevant information for determination of fees with income expenditure of 2024-25. It is requested to determine the fees for Higher Sec. (Sci) Section (GSEB Gujarati Medium) for the academic year 2024-25, 2025-26 & 2026-27 as proposed to bear the expenditure of the school.

(3) The school has produced audit report of total expenditure for the financial year 2023-24. The FRC has gone through it.

(4) The FRC is required to exercise the power conferred upon it in a very balanced manner so as to see that on one hand the school management is not deprived of the legitimate fees to be charged from the students and the students also should not suffer by paying exorbitant fees charged by the Self Financed School. The object of the Gujarat Self Financed Schools (Regulation of Fees) Act, 2017 is to prevent "profiteering" which is defined in Section-2(r). According to the judgment of Hon'ble Gujarat High Court in SCA No.2356 of 2021 dtd.22.07.2022, the school is entitled to collect one month fee as term fees twice in a year and also one month fee as admission fee in case of new admission. While determining the fees structure, it is always to be kept in mind that parents have high ambition to connect their children with reputed school.

and achieve modern and effective education which may lead their children towards a path of their great success in life. At the same time should be the expectation of all concerns from the leading institutions that they can always take care of expectations of others and provide the superb opportunity of studying in their institutions. In the previous fee determination order, the condition was that the school is not permitted to collect fees under any other head including under the head of Admission Fee except one month fee by way of admission fee only in case of new admission and it was before the judgment of the Hon'ble High Court of Gujarat, SCA No.2356 of 2021 dtd.22.07.2022. But after the judgment of the Hon'ble High Court of Gujarat, the school is entitled to collect one month fee as term fees twice in a year and also one month fee as admission fee in case of new admission.

(5) Hence, considering the entire scenario of the school, the FRC has determined the just and fair fees considering income & total expenditure of the school for the academic year 2023-24 and expenditures with the strength of the student and other relevant factors for determining the fee structure, the FRC has determined fees for smooth running of the school as against the fees proposed by the school for Higher Sec. (Sci) Section - (GSEB Gujarati Medium) as shown in below table.

GSEB Gujarati Medium	Fees determined by the FRC for A.Y. 2023-24	Fees Proposed by the school for A.Y. 2024-25	Provisional Fees determined by FRC for A.Y. 2024-25
